2 Timothy 2v15

“Do your best to present yourself to God as one approved, a worker who does not need to be ashamed and who correctly handles the word of truth.”

Continuing to call all men!

It is a good thing that men learn to be able to give a word. That might be in the form of just a word in season to an individual, but it is an important skill to be able to give a more extended devotion and sometimes, beyond that, to do a short preach or a better preach. Sunday evenings are a good time to hone that skill in a safe environment where you can practice, get feedback and learn. Talk to Pastor Hedley if you would like to take up this invitation to learn and move on in this way.
