Assuming the weather is good this will be at Snelsmore Common. Bring some food that we can all share. Bola will be happy to co-ordinate the different items that people will be bringing. There will be opportunity for people that want to go on a walk after the food or just stay around and play badminton or lounge and chat.

People should consider bringing a friend along. 😊

(If the weather is looking bad we will convene at the Clemo’s unless we have another venue offered)
